SEE A SPECIALIST**

NOW, AT LAST, RESEARCH BASED MARRIAGE COUNSELING
25 years of clinical research with married couples has revealed the independent
variables which can now predict marital success or failure with 98% accuracy.

DURING 32 YEARS OF COUNSELING, JIM RAMSEY HAS DEALT WITH:
Communication problems, parenting issues, blended families, anger management,
addiction problems, sexual issues, financial problems, in-law problems,
codependency issues, stress, depression, grief and every other problem you can imagine.

WE GUARANTEE: An analysis of your marriage based on proven scientific studies, which will define your
unique underlying problem areas, and propose a custom counseling program which provides clear goals,
within an agreed upon time frame.
